Villas West Architectural Specification

Specifications for Flag and Flag Pole Installation

Specification No:.....VWAS 08
Issue Date:.....09/18/01
Revision Date:.....New
Revision Level:.....New
Board Approval Date:.....09/18/01
Page:.....1 of 1

General:

A United States of America flag or Arizona flag may be displayed in accordance with the following specifications.

Specifics:

1. Only the current American flag and/or Arizona State flag may be displayed.
2. Flag size not to exceed 3 x 5 feet.
3. Flag pole length not to exceed 6 feet.
4. A flag may be displayed in the patio from an outrigger bracket attached to the villa or patio roof post.
5. When attaching the outrigger bracket to stucco or brick wall, maintenance personnel must supervise the installation. DO NOT USE concrete nails to attach the bracket to stucco or brick walls.
